'Home-Coming' Celebration COMPLIANCE WORK IN 1936 FARM PROGRAM TO BEGIN Postponed Due To Infantile The County Agent has received notice from the State Agriculture Consequentles. Paralysis Epidemic In State

The second annual event, planned for the week of August 2nd to 8th. has been called off on account of the epidemic of poliomyelitis (ir fantile paralysis) which is now raging in several counties in the Northern part of the State. The general committee postponed the celebration in accordance with advice of County and State Health authorities, who are endeavoring to check the spread of the dread disease by preventing any and all public meetings or gatherings. Preparations, which were well under way, with some very entertaining programs alonly one or two cases of infantile.
